Family Program Goals

Identify and maintain health while we love someone with Chemical Dependency by:

- Increasing understanding of disease concept of addiction
- Applying the 12 Step Program to our lives
- Reducing the sense of loneliness through the experience of group support
- Increasing trust in ourselves
- Discovering the power of “NO”

We look forward to your participation!

Accommodations:

An Invitation

This family weekend is an in-depth experience of family recovery. Expect in-depth opportunities for further education about and experience of recovering trust, hope, and spiritual health.

Someone you know has come to us for help in recovering from the disease of addiction. **We recognize that the person in treatment is not the only one who has suffered from this disease.** Their actions and the family dynamics surrounding those activities have probably caused pain and chaos for you as well.

Calvary's goal is to provide **quality treatment to ALL those that suffer** from this disease including those that have attempted to surround the addict-alcoholic with love. That is why we are inviting you to our family program. We wish to help you find your own safe place of healing from the chaos that this disease has brought into your life. One benefit of your renewed and/or strengthened health will be an **increased potential for long term recovery** of your loved one. The stronger you are in your own health, the better you can be of help to the person with the addiction.

Cost: *Pre-registration* - \$400 per family
After 12:00 noon on Wednesday prior \$450

When: Every four weeks

Questions: Call our Clinical Director at 602-

279-1468.

We welcome all family members and significant others, 12 years and older, who are not using any mood altering substances.
